REDEFINING EXCELLENCE IN ELT**

NEAS challenges the traditional notions of quality assurance in English Language Teaching (ELT), management, and leadership, urging 2024 participants to envision and drive a paradigm shift in how we perceive and ensure excellence in language education. The theme encourages a deep dive into innovative approaches, disruptive strategies, and transformative frameworks that redefine quality assurance practices. It aims to inspire provocative discussions, ignite change-driven thinking, and propel participants towards reimagining and reshaping the future of ELT quality assurance.
